Curtain Call!

Where can I find out more information?

The Kent City Music Boosters meet monthly, and Curtain Call details are continuously being refined. For the latest and greatest news regarding our annual end of the year event, find us on Facebook by searching for "Kent City Curtain Call"

...or visit www.kentcitybands.com and click on the Curtain Call Link.

We are constantly trying to involve more people, more local businesses, and improve our already popular Dinner Theatre Event.

"I wasn't able to attend last year, but I am still hearing about how great it was. Based on what everyone else has been saying, I wouldn't miss it again. I can't wait to be a part of *Curtain Call*."

- Rick Stoll, 2011 Master of Ceremonies

As the choir is preparing for their festival experience in March, the band students are celebrating their successes and recent ratings at District Festival. Expect to hear some of their award winning performance on June 3rd!

Curtain Call celebrates Kent City's Music Department and the amazing musical talents of our students. It is the final event of the year that says goodbye to our graduating seniors and welcomes the incoming freshmen in the Grand Finale. It is truly an epic performance each and every year!

"That band makes me want to chase parked cars. I get so fired up every time I see those kids wailing away. It was an honor to work with Mr. Davis last year, and I can't wait to take it all in as a guest this year!" -John Hilaski,

2010 Master of Ceremonies
