## What is included in this \$25 seat:

- ❖ The fee is for the seat only on the bus. It does NOT include a ticket.
- ❖ You agree to the band timelines for travel (meet at 6:30am, home by 2:30am)
- ❖ You understand that you are riding with teenagers....they can be loud.
- ❖ You will not be considered a chaperone, just a passenger.
- ❖ You WILL need to fill out a Volunteer background check form and be approved by the school. This form needs to be turned into the band room no later than Tuesday September 25
- ❖ The band will make food stops along the way, this ticket does not include this food, you will want to plan accordingly for your own food/meals.
