## I WANT YOU TO BE A MEMBER OF THE 2018 MARCHING EAGLES!

I believe that marching band not only helps students to develop musically but also teaches the benefits of hard work, dedication, responsibility, and engages students in a healthy regimen of physical fitness. Marching band is also an opportunity to cultivate life-long friendships through working hard with others toward the goal of a truly amazing performance both with students and parents.

In order to effectively plan for the upcoming marching season, I am seeking a **commitment** from those students wishing to be a part of the Marching Eagles. It is important that you understand that once the numbers are set in May, the drill will be written to accommodate the **committed students**. The drill process begins in May. **This means all students MUST fulfill their commitment both personally and financially.** Please understand that once a commitment is made, it is **IMPERATIVE** that everyone fulfills his or her commitment. Thus, once the commitment is made to be in the Marching Eagles, it is crucial that it not be changed. To drop out after June 1st will cause a personnel problem and financial hardship to the band. (In 2016 we needed to do a drill re-write due to students not fulfilling this commitment and it cost the program several hundred dollars and cost us several hours of rehearsal to re-learn the drill with new dots).

### Cost for the 2018 Season -

In order to try and only collect fees once a year, we have a combined price for band. There are many things that go into the final price. The Fee encompasses many things. First are the costs associated for band camp. Other things covered in the fee is Dry Cleaning for the Uniforms, \$\$ to help offset food for the season, Costs Associated with BOA, Camp T-Shirt and Dog Tags. It is going to be a GREAT year to be an Eagle!.

- **Cost For ALL 8th-11th Grade Performers - \$330**
  - *Color Guard May Need to Purchase Shoes*
  - *New Marchers WILL need to purchase Shoes - Additional \$25-35 dollars*
- **Cost For a 2018-19 SENIOR of the Marching Eagles - \$295**

*\*\*\*Band Camp is not required but is HIGHLY recommended. Students will be very far behind if they miss camp. Students who do not attend camp will have a limited performance role in the fall production as they will have missed significant training associated with camp. With the way the fee structure is set up, students that miss camp will still have to pay a class/band fee to cover costs through the season. This fee has not been officially set, but this it will be close to \$250-300. (It is similar to the Athletic Fee that we all pay to play sports.)*

We ask that ALL money is paid in full by the start of band camp. It may be beneficial to make payments. Payments can be mailed to the boosters at: Kent City Music Booster, PO Box 28, Kent City, MI 49330 or send payments into the school with your child. Checks be made payable to: **Kent City Music Boosters**...please try not to send cash. Again, all fees MUST be paid in Full by July 15 (unless specific arrangements have been made with the boosters.) Students/Parents may apply for a scholarship from the Boosters to help offset the costs. This is due by May 25. No Exceptions. RESERVE YOUR SPOT in the band by filling out this and returning it to Mr. Schnicke as soon as possible, but not later than May 25th. If possible. You may wish to attach a deposit to accompany this as well.
